Accumulated sick time shall be disposed of in any of the following ways at the discretion of the employee. The employee must declare in advance his/her intended form of disposition to the City. This declaration shall be made in July of each year for the current year only. The forms of disposition shall be:

In addition, the City has extended additional benefits to employees called to active duty by Council adopted Resolution.

C. Catastrophic Leave Donations - In recognition of the fact that catastrophic illness or injury can cause employees a financial hardship, an employee may apply for Catastrophic Leave donations from fellow City employees. This will allow the employee facing financial hardship to remain on payroll through the use of Sick Leave hours. Requests for Catastrophic Leave donations shall be made through and from the Human Resources Department.

In order to be eligible for Catastrophic Leave donations, an employee must have exhausted all accumulated leave balances and must be expected to be absent from the workplace due to personal illness or injury, or due to the illness or injury of an immediate family member which requires the care of the employee.

Donations shall be limited to whole hour increments of Vacation, Comp Time, and Sick Leave (Sick Leave shall be donated at 50% value). The donating employee shall have his/her leave hours deducted accordingly and the recipient shall have donated hours credited to his/her Sick Leave account. Donated hours shall be converted to Sick Leave hours for the recipient as follows:

1. Donated hours multiplied by donating employee's hourly rate (base pay, CMS and education pay included);
2. This amount divided by the recipient's hourly rate (base pay, CMS and education pay included);
3. Result is the number of hours the recipient will have credited to their Sick Leave account

Excess hours shall be held in a Catastrophic Leave Bank. The purpose of the Catastrophic Leave Bank shall be to allocate donated hours to an eligible employee to the extent necessary, and to provide a holding account for excess hours, to be used by a future eligible employee.

D. Employees may request other forms of leaves of absence pursuant to provisions outlined in the Personnel Policy Manual.

E. Any employee who engages in outside employment during any leave of absence without prior notification and approval of the City Manager and department head shall be subject to termination. Any employee who falsified the reason for the request of said leave of absence may be terminated for falsifying a request for leave of absence or extension thereof.

#### SECTION 14. BEREAVEMENT LEAVE

In the event of death in the immediate family (spouse, child, foster or stepchild, parent, grandparent, great grandparent, grandchild, sibling, aunt, uncle, niece, nephew or such relative of spouse) requiring travel within a 500 mile radius of Westminster, the employee shall be granted necessary time off up to twenty-four (24) hours with pay, not to be charged against the employee's sick account, to attend the funeral or memorial services, or to assist with related family matters. If it is necessary for an employee to travel outside the immediate area due to a death in the immediate family, upon approval of the Director of Human Resources, leave may be extended to forty (40) hours to attend the funeral or memorial services or to attend to related family matters. Immediate area is defined to be a 500-mile radius of Westminster.

#### SECTION 15. RETIREMENT.

Employees' PERS Contribution Rate shall be as follows:

PERS Safety Positions	9%
PERS Miscellaneous Positions	8%

Membership. Miscellaneous employees shall be members of the Public Employees' Retirement System (PERS) and shall be eligible for retirement benefits based upon the 2.5% at age 55 formula, using the average monthly salary earned during the highest twelve (12) consecutive months of employment (final compensation). Safety employees are eligible for retirement benefits based upon the 3.0% at age 50 formula, using the average monthly salary earned during the highest twelve (12) consecutive months of employment (final compensation).

Payment by City of Employee's Retirement Contribution.

For Safety employees, the City shall pay no more than nine percent (9%) of the PERS employee contribution rate. Actual employee and City contributions for Safety employees covered under this Resolution shall be calculated in accordance with the terms of the WPOA MOU currently in effect.

For Miscellaneous employees, the City shall pay no more than eight percent (8%) of the PERS employee contribution rate. Miscellaneous employees shall pay 3.513% of the employee contribution. The City will allow these contributions to be treated as "pick up" in accordance with Section 414(h)2 of the Internal Revenue Service and applicable Government Code sections. These "pick up" contributions will be treated as deferred income to the employee for federal and state tax purposes to the extent permissible by law.

Coverage will also include:

**Disability Retirement:** An employee becoming disabled to the extent that he/she is incapable of performing his/her duties shall be eligible for disability retirement provided he/she has at least five (5) years of service. The monthly retirement allowance is 1.80% of final compensation for each year of service, with a minimum guarantee of one-third of final compensation for most employees who have rendered at least ten (10) years of service. The disability retirement allowance shall under no circumstances exceed the service retirement allowance payable upon retirement for service at age 55 if employment could be continued to that age.

**Death Before Retirement:**

**Basic Death Benefit:** The benefit is a refund of the member's accumulated contributions to the retirement fund plus six (6) months salary provided he/she has been a member of the Retirement System for six (6) years or more. For those who die before completing six (6) years of membership, the benefit is one (1) month's salary for each year of membership plus refund of contributions and interest. The salary referred to is that earned during the year preceding death. Prior service does not count toward this benefit.

**1959 Survivor Benefit:** A monthly allowance shall be paid to certain survivors of a member who dies before retirement. Benefits will be provided at Level IV.

**Death After Retirement:** The death benefit is \$500 if death occurs after retirement. This amount will be in addition to any payments which might be made under an optional retirement benefit chosen by the member at his retirement.

**Termination of Employment:** Upon termination of employment, an employee with five or more years of service may either leave his/her contributions with the retirement system and receive, upon attaining retirement age, the retirement benefit he/she has earned, or he/she may withdraw his/her contributions (plus interest), thus terminating his/her membership in the System and receiving no retirement benefits. Except, (1) a member with less than five (5) years of service shall not have the privilege of leaving his/her contributions with the System, but shall automatically have his/her contributions, plus interest, refunded upon termination of employment; and (2) a member who is transferring to employment with another agency which is covered under the System shall not have the right of withdrawing his/her accumulated contributions, but the contributions will be transferred with the member.

## SECTION 16. HEALTH BENEFIT PROGRAM.

The City shall maintain a comprehensive health benefit program consisting of the following programs:

1. Comprehensive family health medical coverage

\$936.60 per month

B. In addition to health care coverage, the City shall contribute \$50.00 per month for use on any remaining health care benefits (dental, life, vision, AFLAC or PERS Long Term Care).

C. Life insurance coverage, if selected by the employee, shall provide for \$35,000 death benefit and \$35,000 accidental death or dismemberment rider. Dependent life insurance coverage shall provide for \$1,500 death benefit and \$1,500 accidental death or dismemberment rider.

E. Effective January 1, 2008, the City has implemented a full flex cafeteria plan. Employees participating in the City's full flex cafeteria plan shall receive a flex dollar allowance to purchase group health coverage under the plan. The flex dollar allowance for the term of this agreement shall be as follows (combining the \$936.60 and the supplemental amounts specified in subsection (B) above):

\$986.60 per month

A portion of the flex dollar allowance is identified as the City's mandatory contribution towards CalPERS Health under the Public Employees' Medical and Hospital Care Act (PEMHCA), hereinafter referred to as the "PEMHCA minimum contribution". Commencing January 1, 2009, the PEMHCA minimum contribution shall be adjusted annually by an amount to be determined by CalPERS (\$105 per month in calendar year 2010 and \$108 per month in calendar year 2011). Remaining flex dollars shall be used by employees to participate in the City's health benefits plans.

Unused flex dollar allowances, after the employee has elected the coverage under the Cafeteria plan they desire, can be taken by the employee as cash (taxable income); or deposited into the following tax deferred options: 1) employee's Health Care spending account (Sec. 125 plan), 2) Dependent Care Spending account, 3) 457 Deferred Compensation plan; or used to purchase

voluntary products. Employees who do not use the full monthly maximum benefit amount shall be paid the unused amount on the first payday of the month.

F. Effective January 1, 2008, the City shall provide vision coverage under the VSP insurance plan.

G. Long Term Disability Plan. Effective January 1, 2008, the City shall provide Long Term Disability Insurance benefits for all employees covered by this agreement. The benefit shall equal 66.67% of the employee's basic earnings, reduced by any deductible benefits received from other sources. No benefits shall be payable for the first 90 calendar days of each period of disability. After LTD benefits commence, the employee may use any remaining paid leave to supplement such benefits during the term of disability leave. The amount of supplementation, in conjunction with the LTD benefit payment, shall not exceed the employee's normal payroll for the period. All remaining sick leave must be used before vacation or other accumulated leave can be used for this purpose.

#### SECTION 17. CONTINUATION OF MEDICAL, DENTAL, LIFE AND VISION INSURANCE UPON RETIREMENT.

A. Eligibility for City contribution to the retiree Health Benefits Program for employees hired on or after January 1, 2011, shall be based on the following schedule:

Commencing January 1, 2009, the PEMHCA minimum contribution shall be adjusted annually by an amount to be determined by CalPERS (\$105 effective January 2010 and \$108 effective January 2011).
